Yes! I would like to participate in Mercy Challenge!

Please send me application materials for the Mercy Challenge experience. I am unable to participate now, but please keep me on the mailing list.

Mercy Challenge offers participants the opportunity to minister at Misericordia/Heart of Mercy. Please visit their website at [www.misericordia.org](http://www.misericordia.org).

The Sisters of Mercy - an international community of Roman Catholic women - dedicate our lives to the Gospel of Jesus and take vows of poverty, chastity, obedience and service. We live a life of prayer and service, responding to the needs of people facing poverty, illness and a lack of education.

Experience the joys and challenges of living in community with women of compassion, contemplation, hospitality and action. Share in the mission of Mercy.

Mercy Challenge was a wonderful experience for me since I had only met a few Sisters of Mercy, I was able to see how their passion is lived out in their ministry.
