stand with immigrants
acknowledge racism
advocate for women
practice nonviolence
reverence earth
yield what claims our peace
In this Now moment we are blessed to allow our hearts to break open and yield what claims our peace.

To choose freedom to forgive all and everything.

And we are blessed then to invite simple trust an exchange of grace the awesome choice to forgive ourselves.

It is this blessing that is Love’s fullness.

In this Now moment we are blessed to allow our hearts to break open and yield what claims our peace.

To choose freedom to forgive all and everything.

And we are blessed then to invite simple trust an exchange of grace the awesome choice to forgive ourselves.

It is this blessing that is Love’s fullness.
