

The Sisters of Mercy arrived in Omaha 150 years ago to ***Make Mercy Real*** for those in need.

To close our 150th Anniversary Celebration, the Sisters of Mercy invite our friends from across the globe to join us in performing an act of service to further our mission of mercy.

Between September 24 and October 21, share how you Make Mercy Real by posting photos or descriptions of your service on your social media sites using ***#MakeMercyReal***.
