

## **A Prayer to Relieve Fears**

O God of Mercy,  
Your servant Catherine McAuley prayed for the gift of total surrender  
into Your loving arms. She asked for “most lively, unlimited confidence  
in Your compassionate, tender pity.”

May any fear of scarcity be countered by our unlimited confidence in  
Your almighty power, presence and abundant mercy.

Bestow the fullness of joy upon all who have most recently died,  
especially all victims of COVID-19.

Protect all who work to heal and support the most vulnerable as they  
are courageous instruments of your healing hands among us.

We come to you now.

Increase our faith, our hope and our charity.

Amen
